Yes, my firm will support civics education for Indiana students.

I agree that above named firm and individual will conduct a fundraising campaign annually supporting An Hour for Civics. I understand that this campaign includes my commitment and that of my firm to:

- 1. Donate an annual gift of \$2,000 from my firm for five years (2011 - 2015).**
- 2. Solicit other attorneys and individuals in my firm for a personal gift in addition to the firm gift with the goal of 100% participation by attorneys in my firm.**

I understand that our firm gift and participating attorneys gifts in subsequent years must be made by June 30 annually.

Please contact me about getting more involved in civics as a judge or as an advocate for civics education in my local school system.
